

YOU ARE NOT ALONE!

TAKE BACK OUR COUNTRY, ONE COUNTY AT A TIME!

WHO WE ARE:

We are everyday citizens who are fed up with career politicians and the corruption within the system. This organization is made up of **WE THE PEOPLE**. A people who value our Constitutional Republic with liberty and justice for all. SB County Patriots is an action based organization established to take back our County and ultimately our Country.

OUR MISSION:

Our mission is to give the power back to the people. Organizing in large numbers is extremely powerful. It's time for patriots to band together and rise up. We invite all conservative minded groups to partner with us, though no party affiliation is required.
